Re: Meeting Request - Arkwood

Dear Mr. Truskowski:

As per our discussion, McKesson and MMI are requesting a meeting with the EPA to discuss the Proposed Plan of Action for the Arkwood, Inc. site. We would prefer meeting on either September 5 or 6, subject to the EPA's availability. We assume you will invite the ADPC&E. An agenda for the meeting is not currently available. In general, we would like to discuss the plan proposed by the EPA and our recommendations for an appropriate remedy. The attendees will include McKesson/MMI technical and legal, outside legal and outside technical consultants. A more precise agenda and attendee list will be provided to you early next week.

We appreciate your consideration in this matter and look forward to a productive meeting.

Sincerely,

Jean A. Mescher
Environmental Engineer
